Finish: Medium Wood

Brand: Hooker Furniture

Product Description: With a casual chic spin on classic European farmhouse and cottage style, the graceful silhouette of the Sanctuary Side Chair is destined to be a favorite. It combines two artistic finishes: Dune, a casual creamy paint with rub-through, and Drift, the antique character of driftwood.

Collection Features: Pursue serenity at home. Create your own personal sanctuary, a special place where you can experience comfort within.

Status: Active

Finish: Drift - with the antique character of driftwood. Distressing includes cow-tailing and rub-through.

Features: Seat and legs: Drift finish
Back: Dune finish

Material: Hardwoods

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
