NEW VISIONMOUNT®

All-Weather Full-Motion Mount

MODEL VXF220-B1

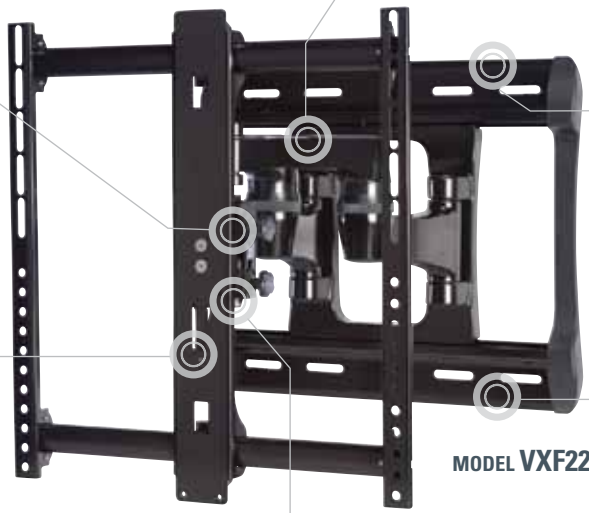
Specially designed for indoor or outdoor use

The latest addition to the VisionMount family is the perfect solution for outdoor TV mounting. Comprised of stainless steel hardware, the sturdy VXF220 all-weather mount was made to withstand all types of conditions — it can be used both indoors and outdoors. Strong dual arms allow 42" – 84" TVs to extend, tilt, swivel and pan up to 20" from the wall for optimum viewing anywhere in a room. The VXF220 also features exclusive FollowThru™ in-arm cable management technology, the QuickConnect™ system for easy installation and ProSet™ height and leveling adjustments for perfect positioning after mounting.

VXF220-B1 shown

Virtual Axis™ allows TV to tilt up or down with the push of a finger — easily reduce glare from lights or windows

FollowThru™ in-arm channels completely conceal cables the entire length of the mount without inhibiting movement, even through the elbows

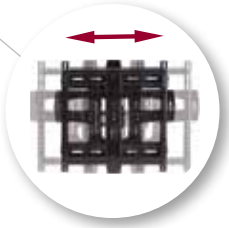


MODEL VXF220-B1

All-weather stainless steel hardware will stand up to the elements — can be used indoors or outdoors

QuickConnect™ system allows mounting head to snap onto arm assembly with one easy movement and unlock with the push of a tab

ProSet™ post-installation height and level adjustments ensure TV is perfectly positioned after mounting



Arm assembly shifts left and right on wall plate so TV is always centered, even with off-center wall studs
