In Stock

Overall: 36"w x 20"d x 36"h

Finish: Tawny Brown / Polished Brass / Mirror / Rose

Materials: Figured Eucalyptus / Stainless Steel / Glass / Faux Velvet

Item Weight: 233 lbs.

The Colette Chest is made of poplar wood that is covered in Eucalyptus veneers with a beautiful linear texture to them, heightened when finished in a tawny brown. Elevating the sophistication of the four-drawer chest is a high-gloss luster on the exterior. The luminous beveled mirror accents, which sit proud on the surface of the chest, are surrounded by stainless steel rings in a polished brass finish that to the legs.
