

This Hisense 1.7 cu. ft. over-the-range microwave oven provides 1000 watts of cooking power, plus 10 sensor-cooking options for your favorite foods. Our multi-stage cooking option lets you customize cooking times and power levels in advance, to suit your cooking needs. A powerful 300 CFM vent fan and an adjustable cooktop light makes stovetop cooking easy.

Express Cooking

Multi-stage express cooking allows you to customize power levels and cooking times.

Fingerprint Resistance

Fingerprint-resistant stainless-steel finish makes cleanup a breeze.

Even-Wave Technology

The Hisense Even-Wave Technology reflects and scatters microwave energy for even heating & defrosting performance.

Glass Turntable

A large glass turntable provides plenty of room for large mixing bowls, casserole dishes and more.

LED Cooktop

The LED cooktop lighting illuminates your cooking area.

Double your warranty* with Hisense

With a 2-year warranty – twice as long as others.

*compared to the 1 year industry standard.

Quickly Vent Odors

Our Powerful 300 CFM, 2 speed venting system removes smoke, and unwanted odors.
