Sunseeker 2 Piece Outdoor Sun Lounger Brown Stripe

Sun's out, setup's flexible. The Sunseeker 2-piece sun lounger is made for all-day lounging—and for moving when the good light moves, too. Tufting and piping keep the look neat in brown stripe, while an aluminum frame and quick-dry foam are ready for poolside reality. Separate the pieces, pair them, or reconfigure with the rest of the collection to make your outdoor space work harder. When it's time to pack it in, everything fits together to stack and store with ease.

- Two-Piece Flexibility: A modular two-piece design lets you shift your lounge setup as the day changes, while tufting and piping keep lines clean.
- Outdoor-Ready Fabric: 100% acrylic upholstery in brown stripe pairs with quick-dry foam, keeping the lounger comfortable through splashes and heat.
- Easy-To-Move Frame: Aluminum framing keeps components lightweight to lift and reposition, while staying steady when you settle in for longer lounging.
- Stacks And Stores: Designed to fit together with coordinating pieces for stacking and storage, so your patio can reset fast after a long day.
