

# Kiss N Makeup

## Caracole

Designed with the utmost attention to detail, this makeup vanity introduces a note of glamour in a soft-sheen metallic. Features a flip top with a mirrored back and right side drawer with a removable felt-lined tray for jewelry and essentials. Elongated drawer pulls, inspired by an Art Deco pendant with a faux stone center, add a touch of grace. Take note, its multifunctional design also works beautifully as a desk, for those mornings when your bedroom is also a boardroom.
