

Professional FFPD5380 Satin Nickel

With a Franke Professional Combination Faucet you get the best of both water worlds: commercial styled pre-rinse spray and separate filling spout. The multi-functional faucets are designed for convenience, and lifestyle. Every little feature makes sense. The durable, coiled spring design forms an undeniable professional kitchen aesthetic and the 360 degrees rotation on the pre-rinse spout grants optimal usability.

Features

- Dual spout design with pre-rinse spray
- Separate filling spout
- Press and hold spray diverter – tall spout is spray only, short spout is fill only
- Single hole installation
- Single handle operation
- Quick-fix spray head clamp
- Solid brass construction
- Italian made
- 360° spout swivel main spout, 110° swivel on secondary spout
- Ceramic disc valve
