

## FLAT TOP NINE DRAWER DRESSER

The Flat Top Nine Drawer Dresser is a clothing storage masterpiece. Among the nine full-depth drawers in this high-waisted dresser, there are six large drawers with three medium sized drawers across the top. Measuring a balanced 51 1/2 inches wide and 39 1/2 inches tall, the Flat Top Dresser is ideal for rooms needing a little more height or in spaces not long enough for a large dresser. This size also works well with television sizes typically found in the bedroom.
