

# WHAT ARE REVOLUTION FABRICS?

Revolution Outdoor Fabrics are performance fabrics that are virtually unstainable, easy to clean, extremely durable, and are also resistant to fading in the sun.

Revolution Outdoor Fabrics are made in the USA at our family owned factory in North Carolina.

Revolution Outdoor Fabrics are made with recycled yarn, and no water is used in the dying process.

Unlike other performance brands, Revolution fabrics use NO PFAS CHEMICALS, making our fabric easy on your home and the environment.
