

# Rx | Plush 15" Euro Pillow Top

Enhanced back support  
Body-contouring pressure relief  
Plush, cradling comfort

designed **for sleepers with chronic back & joint conditions**

## 1 Therapeutic Breathable Sleep Surface

- Cover made from a soft, breathable blend that includes organic cotton to promote cooler sleep
- Fiberglass free

## 2 Chiropractor-Approved Back Support

- Spinal Zone® reinforced center third quilt
- Cooling gel lumbar foam cools & relieves pressure
- Helps prevent body impressions over time

## 3 Plush, Body-Cradling. Supported Comfort

- High-density foam encased micro-coil comfort layer
- Cradling comfort with full-body support

## 4 Body-contouring Pressure Relief

- 1" micro-coil layer consists of 1,628 micro-coils to offer more flexibility than any other coil type
- Responsive support with motion control
- Promotes airflow for cooler sleep

## 5 Wave-Tech® Therapeutic Support

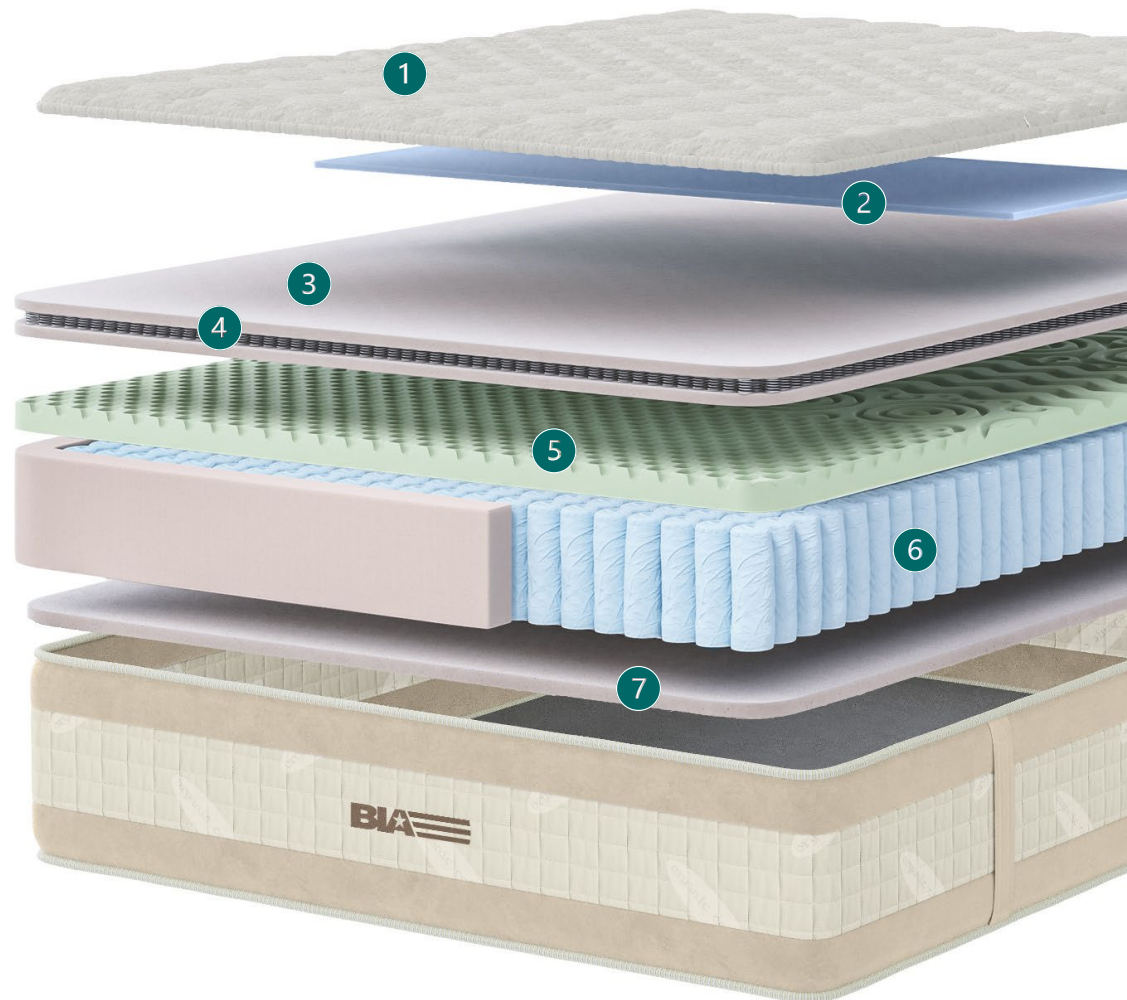

- Graphite & PCM-infused cooling pressure relief
- Deep contouring comfort

## 6 Responsive Feel + Edge Support

- 8" wrapped coils for responsive comfort & motion isolation
- Triple-tempered 14.5-gauge recycled steel for durability
- 609 coils in queen adjust to your curves and movement
- High-density foam rails create firmer, more stable edges

## 7 Stable Base

- HD base support keeps the layers from shifting
