LIMITED LIFETIME WARRANTY

Stander, Inc. (“Stander”) warrants to the original purchaser that the Product will be free from material defects in material or workmanship for the lifetime of the product. This limited lifetime warranty applies only when the Product is used consistent with the Product’s specifications and is non-transferable and shall solely be applicable to the original purchaser.

In the event of a warranty claim, the original purchaser must notify Stander, during the warranty period, in writing of the alleged defect in workmanship or material and must ship the Product, along with the proof of purchase, to Stander.

All shipping costs must be paid by the original purchaser. Stander will not refund or pay for any shipping charges.

If Stander determines, upon its sole determination, that there is a material defect in the material or workmanship of the Product, Stander will either send replacement parts or, if needed, replace the product and ship a replacement product or parts to the original purchaser.

The limited lifetime warranty does NOT apply to any Product:

(1) That has been damaged in any way.
(2) That has been altered or modified in any way or is used with any unauthorized attachments.
(3) That was not properly installed or that was not used in accordance with the instructions provided by Stander.
(4) That was used for purposes other than those for which the Product was designed or intended.
(5) Damaged due to abuse, misuse, mishandling, neglect, misapplication, accident or abnormal use or storage.

STANDER MAKES NO WARRANTIES OTHER THAN THOSE EXPRESSLY SET FORTH HEREIN. ALL OTHER WARRANTIES, EXPRESS OR IMPLIED INCLUDING ALL (I) IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR (II) IMPLIED WARRANTIES ARISING FROM ANY COURSE OF DEALING, USAGE OF TRADE, ADVERTISING OR PERFORMANCE OF PRODUCTS TO STANDARDS SPECIFIC TO THE COUNTRY OF IMPORT, ARE HEREBY EXPRESSLY DISCLAIMED.

THIS LIMITED LIFETIME WARRANTY IS THE FULL AND COMPLETE STATEMENT OF STANDER’S LIMITED LIFETIME WARRANTY OF THE PRODUCT, CONSTITUTES THE ENTIRE AND COMPLETELY INTEGRATED LIMITED LIFETIME WARRANTY OF STANDER, SUPERSEDES ALL OTHER STATEMENTS, AND CANNOT BE VARIED BY ANY ORAL OR OTHER WRITTEN STATEMENT.

THE EXCLUSIVE REMEDY FOR BREACH OF THIS LIMITED LIFETIME WARRANTY IS TO RETURN THE PRODUCT FOR THE REPLACEMENT OF THE NONCONFORMING PRODUCT.

UNDER NO CIRCUMSTANCES SHALL STANDER, INC. BE LIABLE FOR ANY SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, CONSEQUENTIAL DAMAGES, OR OTHER DAMAGES, BASED UPON BREACH OF THIS LIMITED WARRANTY, BREACH OF CONTRACT, OR STRICT LIABILITY.

Some states do not allow limitations on how long an implied warranty lasts. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. To obtain service under this Limited Warranty, you can reach Stander at (800) 506-9901 or (435) 755-0453.

To register your product for a Limited Lifetime Warranty, please visit stander.com/product-registration.

DISCLAIMER: Neither Stander nor the manufacturer will be liable for any harm or injury that results from the improper use or assembly of the product.

Do not use or attempt to install this product unless you read and understand these warnings and follow all instructions.

SAFETY WARNINGS

a) This product is for adult use only and is intended to assist disabled persons by providing minimal to moderate weight support while standing. This product is NEVER to be used as a device to restrain individuals from getting into and out of bed.

b) If this product is used in a nursing home, assisted living center, or a similar facility, follow these instructions and all of the facility's policies. DO NOT install or use this product if it does not comply with the facility's policies.

c) STOP using product immediately if product is damaged, broken, or if parts are missing. STOP using product immediately if product shifts out of its original position until it is readjusted into the correct position.

d) This product is NEVER to be used by people with Alzheimer's disease, dementia, restlessness, or those who are sedated, confused or frail. Gaps in and around this product can entrap and kill. People with Alzheimer's disease or dementia, or those who are sedated, confused, or frail, are at increased risk of entrapment and strangulation. People attempting to climb over this product are at increased risk of injury or death from falls.

e) This product must NOT be used by anyone who has any condition that may cause confusion, who cannot walk without assistance or is otherwise at increased risk of injury because of the propensity to fall or lose their balance including individuals who are taking medication that makes them tired or dizzy. The user must have sufficient hand strength to grasp the product while standing up without slipping.

f) In order to mitigate the hazards of entrapment or falls, this product must be installed in strict accordance with the instructions set forth herein. .

g) Do NOT alter the product in any way or use of the product for any reason other than to provide limited support during the process of standing and sitting.

h) Do check the product daily to make sure it is installed and positioned as per the ASSEMBLY INSTRUCTIONS, that there is no damage to the product and that it is clean and free of any substance that may make the product or the floor slippery.

i) Prior to use, ensure that there is no gap between the product and the side of the mattress. A gap in this area means the product was installed improperly.

j) Do NOT allow Children to hang on or play with this product.

k) Do NOT use this product if you weigh over 300 lbs./136kgs.

l) Do NOT attach any items or objects to this product.

m) If product is removed, it must be reinstalled per enclosed ASSEMBLY INSTRUCTIONS.

n) If you have any questions regarding the safe installation or use of this product, associated risks, or anything at all regarding this product call Stander at (800) 506-9901 or (435) 755-0453.

Product Position: Install the product as shown on *Figure A*, keeping the product at least 12.5 inches from the head and foot plane of the bed. No gap between product and bed frame or mattress. This is required to prevent potential entrapment hazards

ASSEMBLY INSTRUCTIONS

WARNING: Do not begin assembly until you have reviewed and understand the included SAFETY WARNINGS.

For questions or clarification, contact Stander at (800) 506-9901 or (435) 755-0453 before proceeding.

Failure to follow these instructions increases the risk of entrapment, serious injury, or death.

Specifications:

Product Name: Stander Step

Product #: 2340

Maximum User Weight: 300 lbs (136kg)

Compatibility: Can be used with any bed. Ensure unit is placed with rear crossbar in contact with bedside.

Cleaning: Clean product with warm water and soap. Dry thoroughly before using.

Recycling: Product should be recycled in accordance with national guidelines.

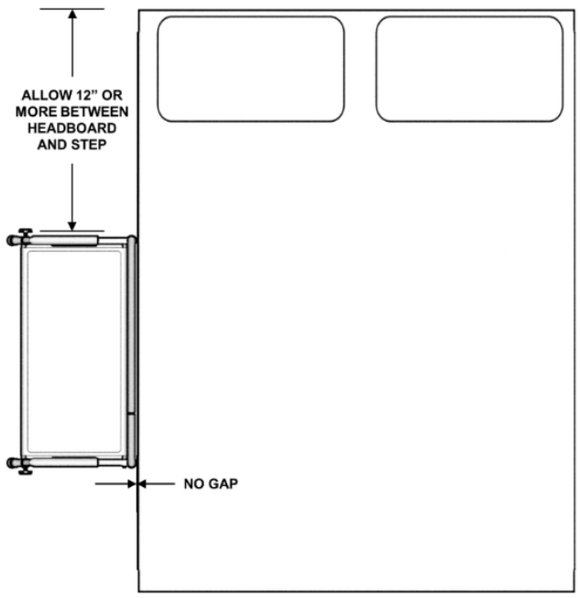

FIGURE A

1. Remove product from box and identify all parts as shown in *FIGURE 1.*

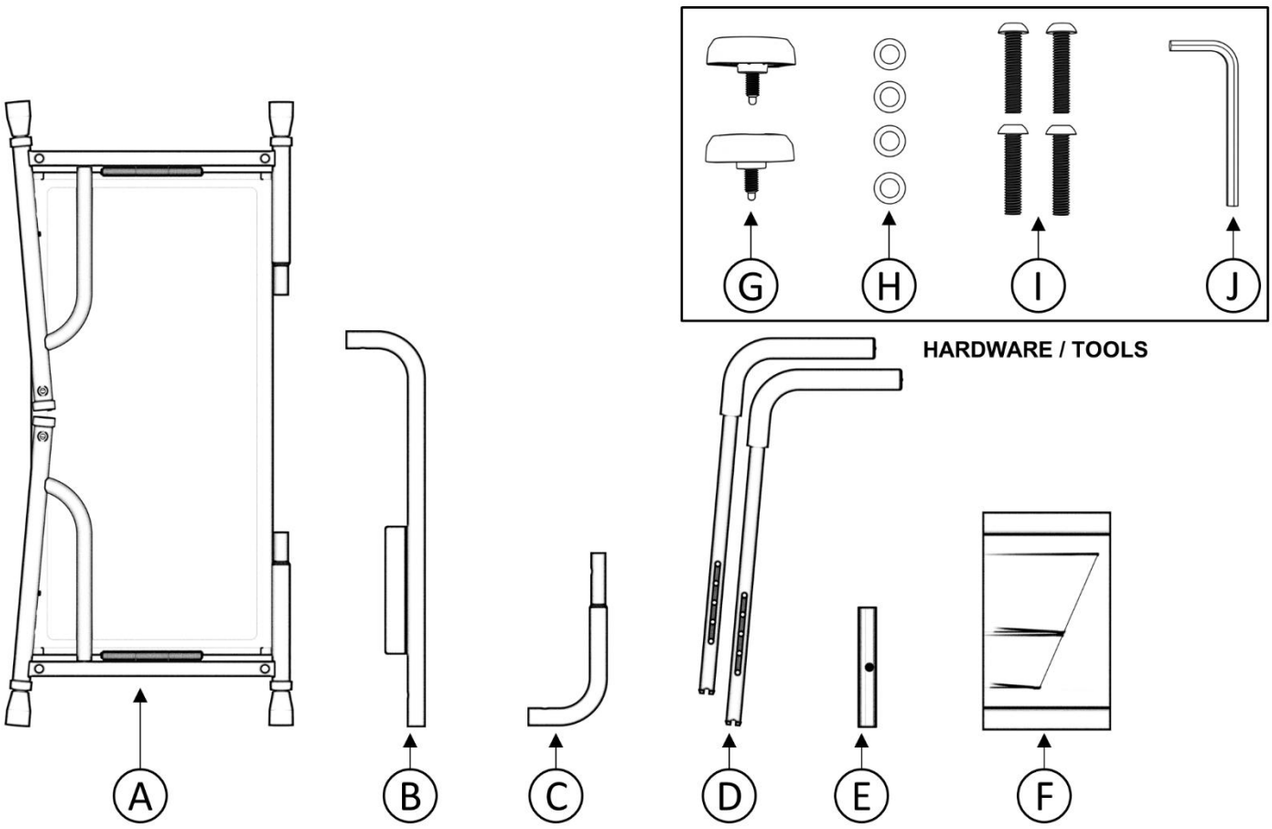

FIGURE 1

2. Assemble rear crossbar by inserting part **C** into part **B** as shown in *FIGURE 2* allowing the spring pin to lock in place.

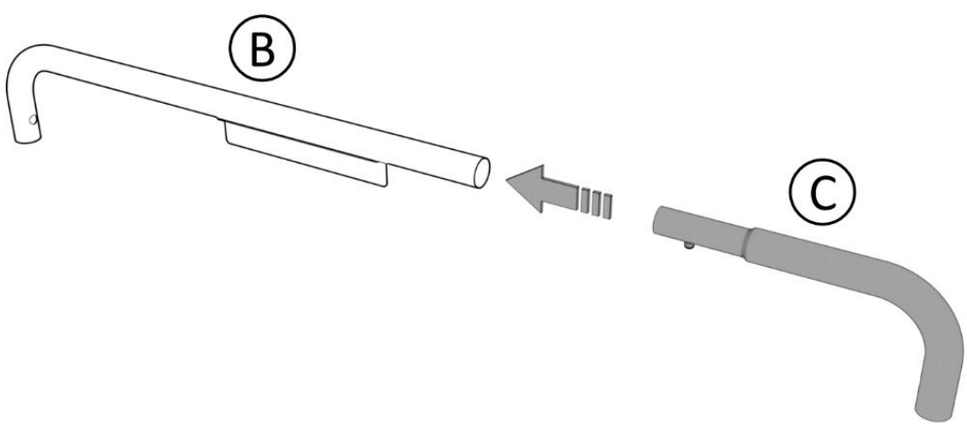

FIGURE 2

3. Unfold main platform **A** as shown in *FIGURE 3.1* and install the assembled rear crossbar on to the rear posts with part **C** on the right side of the product as shown in *FIGURE 3.2*. Allow <u>both</u> spring pins to lock in place.

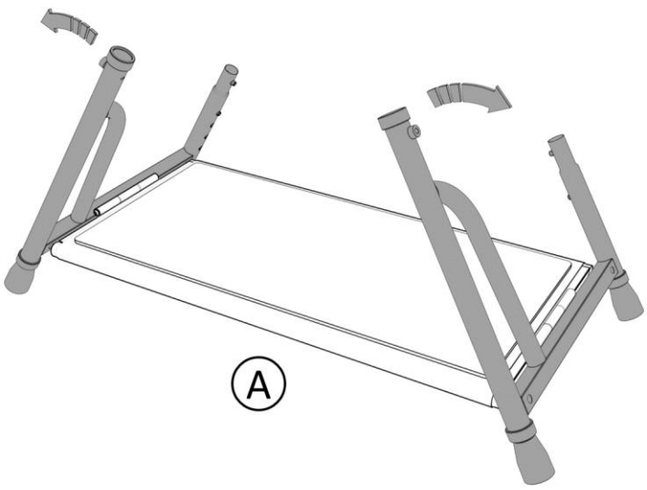

FIGURE 3.1

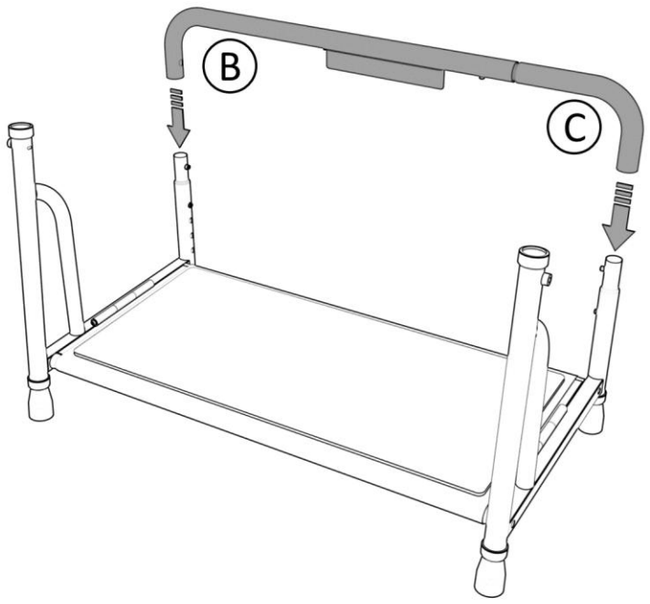

FIGURE 3.2

4. Install bolts **I** with washers **H** as shown in *FIGURE 4* and tighten using tool provided, **J**

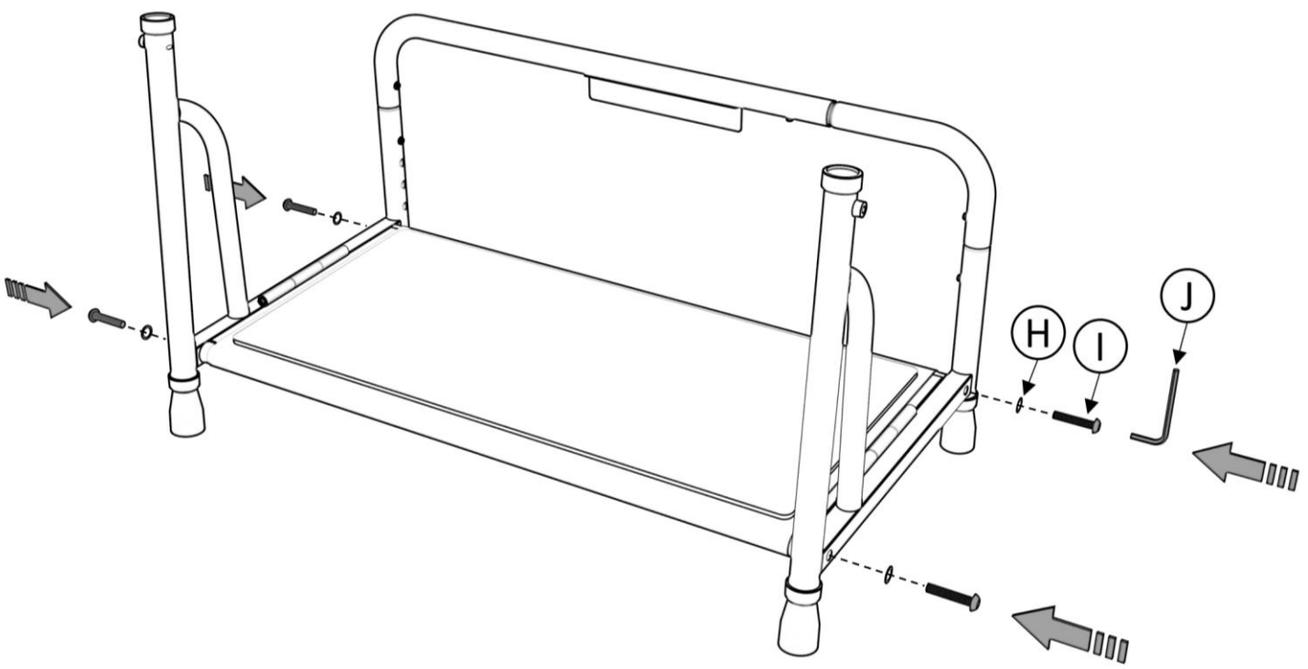

FIGURE 4

5. Insert handles **D** into the front receiver posts of **A**. Adjust to the desired height, align using the witness holes, and secure by threading in and tightening knobs **G** as shown in *FIGURE 5*.

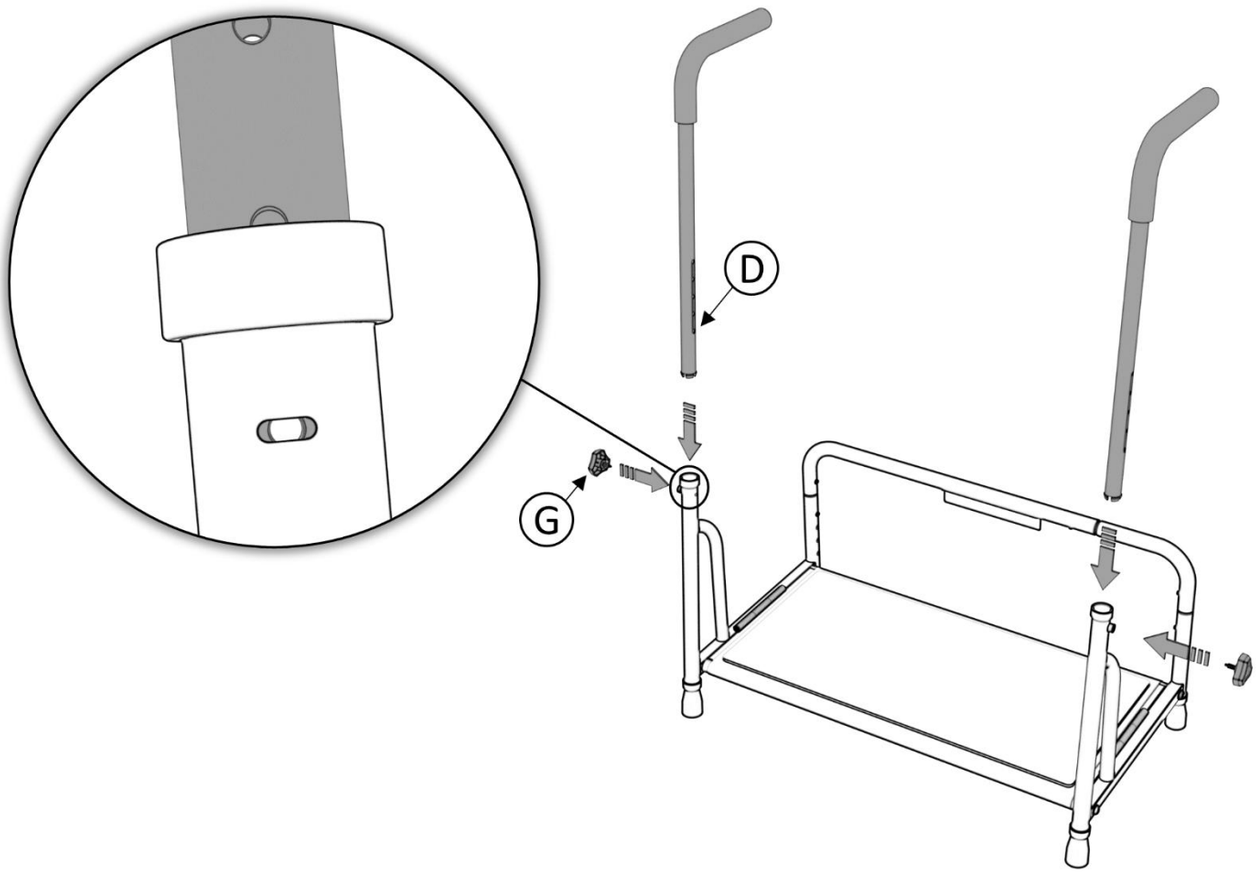

FIGURE 5

6. Adjust legs to desired height and allow all spring pins to lock. Attach magnetic motion light **E** to the rectangular plate on the rear crossbar as shown in *FIGURE 6*. **NOTE:** Ensure all legs are adjusted to the same height. Install pouch **F** by wrapping velcro ends around vertical tubing on either side of the product.

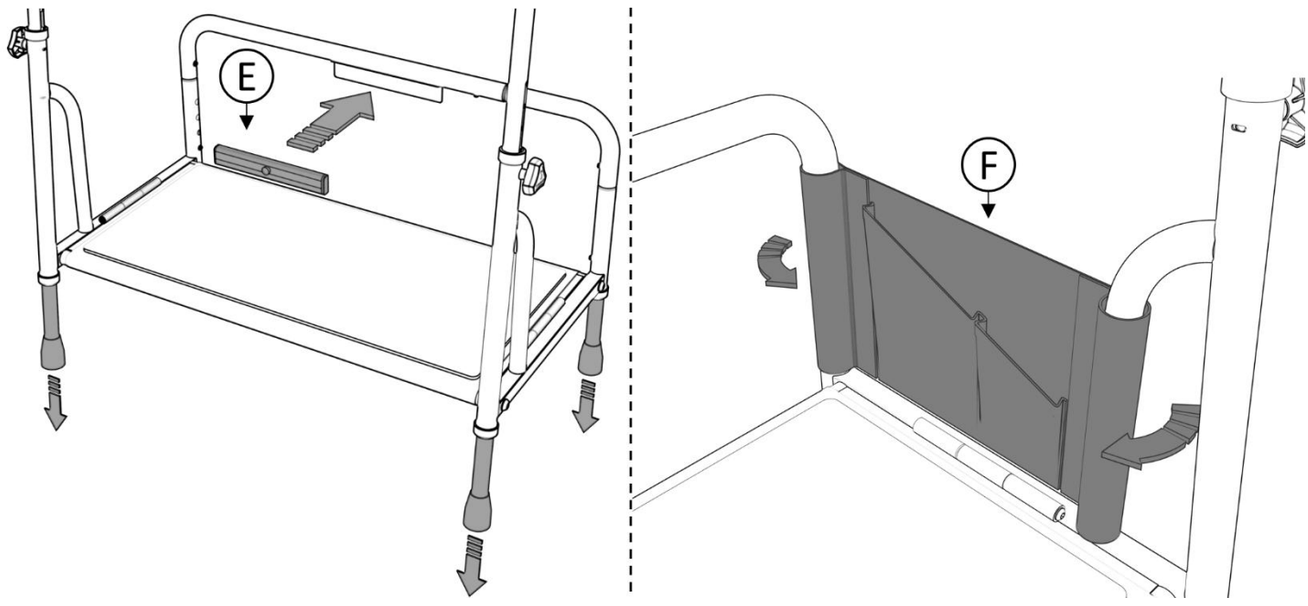

FIGURE 6

MOTION LIGHT INFORMATION

SPECIFICATIONS:

Motion Sensor Range: 3 meters.

Power Source: USB rechargeable.

LED Service Life: 100,000 Hrs.

Light timer: 15s after motion is no longer detected.

Warnings: Keep away from water or damp areas. Keep out of extreme heat. Exposure to bright light can damage ambient light sensor sensitivity.
