Details and Dimensions

Material: Upholstered seat and seagrass backrest

The Chase dining chair is crafted for those who are looking to add a coastal, farmhouse, or transitional touch to their living space. Its distinctive backrest, a work of art in itself, is meticulously handwoven from seagrass and features a gentle curve for optimum style and comfort. Supported by a metal base with elegantly angled back legs, this chair is as sturdy as it is beautiful.

- Hand-woven seagrass cord backrest
- Product made of superior North American steel
- Painted with lead free and environmentally safe baked powder coating for a scratch resistant finish
- Sturdy fully welded metal structure for increased durability

- Weight capacity: tested for up to 300 lbs
- Made in Canada
- 10 year limited residential warranty
