

DEU2450RO

FEATURES

- Ensures grilling essentials and cool drinks are close by and always preserved at the ideal temperature
- Flexible storage options with one stationary and two adjustable shelves
- Intuitive, on-door touch control panel offers ergonomic, convenient access to settings
- Offers precise temperature control within one degree of setpoint, preserving dairy, produce, craft beer, and other perishables at their optimal temperature
- Crafted with stainless steel inside and out, it provides the most luxurious, professional aesthetic
- Nano coating lines the perimeter of each glass shelf to create a hydrophobic barrier that helps contain spills
- Clear storage drawer provides quick access to essential items
- Control your appliance from wherever you are using our convenient Owner's App—adjust temperatures, be notified of a door left ajar, or receive remote service diagnostics
- This model was designed for more than the outdoors—it incorporates beautifully into indoor spaces as well
- Accepts outdoor-rated stainless-steel accessory panels and handles to coordinate other Sub-Zero and Wolf outdoor appliances
