Key Features & Benefits

LP Conversion Kit Included
Allows you to convert the cooktop so it can be used with LP gas.

CookShield Finish
Protects the cooktop from stains that may occur with high temperature cooking. The permanent finish makes it easy to wipe clean without harsh chemicals so it looks clean, bright and beautiful even longer.

6K BTU Even-Heat™ Simmer Burner
A diffuser plate allows more control of the flame at the lowest setting, for more precise simmering and melting.

*Compared to cooktops untreated with KitchenAid® CookShield Finish. NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
