

# WILDWOOD CHELSEA HOUSE

## 295834 • Kate Candlesticks Set of 2

13.5h x 6.25w x 6.25d

Wood

Walnut/Black Lacquer

*The Kate Candlesticks celebrate geometry and form as circles finished in contemporary black lacquer and rich walnut interlock to create a dynamic play of positive and negative space. Style alone or in multiples to create a landscape of visual interest on any surface. The Kate is more than an accessory - it is a piece of movable art.*
