Undertaking the challenge of creating a clean-lined version of a vintage design, the Magnum Opus Semi-Flush Mount features rows of more than 300 glass leaves attached to the metal stems that effervesce when light strikes them to create a stunning sculptural fixture. The white glass also beautifully contrasts the metal in a brass finish, the cool/warm contrast bringing the gold semi-flush a heightened level of interest. The beautiful white glass leaves also surround the bulbs on this fixture to infuse a space with a lovely glow.
