¹A small gap between the wall and TV may occur if wall is not 100% flat, or is constructed off-angle to the floor or if installed incorrectly. Sold separately. Available on 2018 Q7C, Q7F & Q9F models only.

²Color may vary by model.

³HDMI—CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices.

⁴Requires third-party control system installation. See www.samsung.com/us/business/custominstall.

KEY FEATURES (page 1 of 2)

Q | Picture™

The goal was to finally create a picture engineered for how people live. Proprietary Quantum Dots the size of an atom make the biggest difference and light the way to magnificence night to day.

Q | Color™

Push the boundaries of color with Quantum Dots and a billion shades, reserved for our flagship QLED TVs.⁴

Q | Contrast Plus™

Experience dramatic depth with incredibly deep blacks and an antireflective screen.

Q | HDR Elite™

Step up to Elite class HDR with the power to reveal stunning details and in-depth vibrant colors.

100% Color Volume

The secret behind color is that it may fade in bright scenes; QLED 100% Color Volume seemingly rejuvenates color in challenging content for a brilliant visual experience.

Ultra Black Elite™

An antireflective screen virtually eliminates glare to significantly deepen blacks.

Q | Engine™

Heighten breathtaking color and detail with a powerful processor that optimizes your content for 4K clarity, color and HDR.

Motion Rate 240

Enjoy our absolute best moving picture resolution with remarkable refresh rate, processing speed and backlight technology.

Ultra Slim Array

See details pop out with deep contrast levels. Ultra Slim Array carefully controls lighting, making dark zones of the screen darker and bright objects even brighter.

Backlight Type

Edge (bottom) lit LEDs.

HDR Formats Supported

HDR10 (Static MetaData), HDR10+ (Dynamic MetaData), HLG (Hybrid Log Gamma). All Samsung 4K UHD TVs also meet the CTA HDR-Compatible Definition.

Q | Style Elite™

Designed to achieve aesthetic excellence by minimizing wires and mounting flush to the wall as a picture.¹

One Invisible Connection™

One slim cable connects your power and video gear to the TV.

One Connect Box™

Connects your components to one separate box, not to the back of the TV.

No Gap Wall Mount™¹

Hang your TV snug to the wall with the No Gap Wall Mount™¹ that's easy to install and adjust.

Ultrawide Viewing Angle

Even from wide viewing angles, everyone can enjoy the view from all around the room.

Ambient Mode™

Part TV, part chameleon. Ambient Mode on your QLED mimics your wall pattern for an astonishing visual effect when you're not watching TV.

Boundless 360° Design™

The stunning, clean back and virtually bezel-free design keeps your focus on the incredible picture.

Curved Screen

Get pulled into the action with Auto Depth Enhancer on Curved TVs.

Smart TV with Bixby Voice

A revolutionary way to help find streaming and live TV shows with a universal guide, OneRemote and voice assistance.

Universal Browse

A revolutionary new way to help find streaming and live TV shows with a universal guide.

Connect & Share

Sync your TV to your compatible smartphone to access and control your content on the big screen.²

Samsung OneRemote

OneRemote automatically detects and controls all your connected devices⁵ and content.

⁴Samsung QLED is Quantum Dot-based TV.

⁵Compatible devices only.

KEY FEATURES (page 2 of 2)

Connections

HDMI

Enjoy higher-quality audio and video with an HDMI connection that transmits both signals over a single cable. Compatible with next-generation Ultra HD Blu-ray™ players and HDR content decoding. Includes 1 Audio Return Channel (ARC).

Wi-Fi

Enjoy your favorite on-demand content seamlessly through your existing network with built-in Wi-Fi (802.11AC).

Audio

Dolby® Digital Plus

Enjoy the ultimate digital sound quality on all your favorite movies, TV shows and streaming content. Dolby Digital Plus optimizes your entertainment experience with enhanced sound richness and clarity.

Included Accessories

Samsung OneRemote (TM-1850A)

One Connect Box™

Industry Certifications

UHDA Ultra HD Premium

The UHD Alliance's Ultra HD Premium™ logo identifies specifications in a range of features that meet or exceed strict performance levels for resolution (4K—4 times sharper than HD), high dynamic range (HDR—brilliant brights, deepest darks), and wide color spectrum (more lifelike colors), along with recommendations for immersive audio (multidimensional sound) among others. These performance advances enable certified televisions, Blu-ray Disc® players, content and other devices to fully replicate the richness of life's sights and sounds, enabling viewers to more accurately experience the content creator's vision. Visit <https://experienceuhd.com/> for more information.

4K Ultra HD Connected

All Samsung 2018 4K UHD and QLED televisions comply with the CTA 4K Ultra High-Definition Connected definition requirements. The trade organization known as the Consumer Technology Association (CTA™) is considered an industry authority on engineering standards for consumer electronics in the United States. Visit www.cta.tech for more information.
