Maple solids with cherry veneers.

Medium distressing.

*This stately traditional reeded drawer end table features a turreted-corner shaped top with routed edges providing a great detail for striping. The tapered legs support a beautifully shaped mid-shelf adding function and further enhancing structural integrity. The legs are turned to provide for additional striping opportunity and are capped with antique brass ferrules.*

Custom Finish Shown: **F3 Brighton**, only available on the Brighton Collection. A clear medium brown standard with Black and Gold accents.
