Features:

- Features Leather Match upholstery
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- Seats and back spring rails are cut from mixed hardwood and engineered lumber
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Non-Reversible Cushions are constructed of low melt fiber wrapped over high quality foam
- Features attached back boxed style cushions and non-reversible loose seat cushions
- Cushions feature stylish stitched details
- Features Traditional rolled arms with nail head accents
- Features exposed tri-block accent legs with a faux wood finish
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
