

# ARTISAN & POST

## Features

"Made in the USA" Proudly made by over 600 craftsmen in our factories located in southwest Virginia.

Our tables, servers and island tops feature Valspar's Valguard™ catalyzed varnish which provides superior moisture and scratch protection.

All our table legs and trestle bases come with adjustable levelers for maximum stability.

Our wooden chairs feature shaped saddle seats for added style and comfort.

We replace every tree used to make our Simply Dining Collection through a unique program developed with the Virginia Department of Forestry.

Every table, server, bench, island stool, wooden chair and upholstered chair legs are made from solid maple.
