Materials: Horn/Composite/Wood

Availability: as of 9/17/2021 9:41:36 AM

Item Weight: 3.5 lb

Our Modernist Bone and Horn Tray is a very conceptual design covered in a mosaic made from pieces of hand-cut buffalo horn that has been applied to a Mango wood structure. This decorative tray with its modernist pattern represents a new approach to contemporary design in handicrafts in India. We also have a set of decorative boxes with this mosaic pattern.
