Haven Mirrored Coffee Table  
39.5" W x 39.5" D x 18.5" H • 25.77 CUFT • 198 lb.

Bring home this Haven coffee table to add a distinctly modern look to your living room or den. This eye-grabbing coffee table from Meridian Furniture features a triple-stacked platform design in a square shape for a geometric look that's more like a piece of fine sculpture than the true utilitarian item it truly is. The surfaces of the table are mirrored, adding a light, airy touch to your space and giving it a beautiful aesthetic in contemporary decor.
