The coastal vibes of the Corfu Ivory Table Lamp are created by the tremendous amount of effort that goes into the surface ornamentation. Representations of whelk and snail shells are interspersed with barnacles and pieces of coral, all made of dark ceramic clay. The entire composition is covered in a milky white finish that rests in greater thickness in some spots than in others. Made by a group of women who live at the border of Burma and Thailand, the incredible ivory lamp is built by hand, layer-by-layer, one motif at a time to bring it tremendous character.
