The Avant Collection is the epitome of clean, geometric furniture design. Simple yet beautiful, and built with a solid steel base and a choice of glass, specialty glass, and solid wood tops, and the quality you expect from Charleston Forge. The collection is designed by noted furniture designer, Joe Ruggiero, and is a testimony to his love of creating stylish, sophisticated environments. As one of America's most trusted design authorities, Joe is well-known for his ability to identify what consumers are looking for and showing them how to create it from both an aesthetic and practical point of view.
