Certifications & Warranty

17 cu. ft. Capacity

Offers ample storage space for frozen and fresh foods, and its upright design keeps items visible and easy to reach.

Convertible

Easily converts between freezer and fridge modes to suit your ever-changing food storage needs.

Garage Ready

Maintains stable temperatures in non-climate-controlled environments.

External Temperature Range: 38°F to 110°F in fridge mode, 0°F to 110°F in freezer mode

Exterior Control Panel

Allows you to adjust and monitor the freezer's temperature without opening the door and releasing cold air.

Flexible Storage

Equipped with 4 glass shelves, 4 door bins, and 2 drawers to keep food organized and accessible.

Auto-Defrost

Prevents ice buildup to save you the time and effort of manual defrosting.
