

CLARITY 1 WALL PAINTING

FX-1251-37

Taking an abstract approach, the Clarity 1 wall painting highlights a journey from beginning to end. A piece of wall art that doesn't mind keeping things simple, the print's plain background is coupled with a curling ribbon of deep blue. Evocative of rivers, pathways or movement, the Clarity 1 is an ideal contemporary accent for your wall. A polystyrene frame with oak finish adds an organic, polished quality to this print.

- Ink printed on paper
- Polystyrene frame with quality oak finish
