1200-0957

In Stock | New

Overall: 6.5"h x 10.75"w x 9.5"d

Finish: Dark Brown

Materials: Bronze

Item Weight: 9 lbs.

The attention to detail involved in creating such a lifelike crustacean makes the Crab Bronze a playful decorative accessory and a true conversation starter.

Once the bronze sculpture is loosened from its mold, a dark brown patina is applied by artisans to give its surface the textural details that make it look aged.
