BODIE COLLECTION

Scan with your smart device's camera to learn more!

The Bodie features a zipper in the upper and lower back for access to the premium cushioning fibers, allowing you to add more for a firmer comfort or take some out for a plusher feel.

Innovative seat cushion technology, called Performa Weave®, is cooler, more durable and comfortable than standard foam.

Outside recliners come with metallic pewter buttons with built-in USB charger.

Our patented bracketing system prevents the units from being shifted and separating apart.

All measurements are approximate.
