PRODUCT DESCRIPTION

This oversized chair caters to your fashionable and relaxed lifestyle. Soft to the touch, its combination leather and faux leather upholstery offers affordable luxury. This striking piece is tailored to perfection with clean, refined lines that elevate its contemporary design.

- Corner-blocked frame
- Attached back and loose seat cushions
- High-resiliency foam cushions wrapped in feather-fiber blend jacket
- Genuine leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather

- Low-profile accent legs with faux wood finish
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
