

# Peak Multi-function Lift chair

## Peak

With our Multi-function Lift Relaxers, receive added support and convenience with a variety of excellent functions. Helping you to tailor your comfort needs more specifically, our Multi-function Lift Relaxers will allow you to achieve your perfect relaxation zone, providing comfort where you need it most.

Allow your relaxation to reach a new level of high with the Peak Multi-function Lift Relaxer. With slender, elegantly curved armrests featuring exposed laminated wood, Peak possesses its own distinctive style. With minimal stitching detail, the backrest retains a simple look, whilst providing welcoming support and comfort to your back as you recline.

## The IMG promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

**Warranty** - See warranty policy for more details.

10 years on molded foam cushions and steel frames  
5 years on mechanisms  
2 years on motor and battery-parts  
2 years on leather and fabric covers

DESIGNED IN NORWAY

## Up to 2 sizes available

See reverse for specific option availability.

## Functions - Features

### 1. Higher grade foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

### 2. Comfort precision headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions.

### 3. Height adjustable headrest

Enabling the headrest to be adjusted for taller individuals.

### 4. Effortless recline

The back recline and integrated footrest can easily be operated at the push of a button.

### 5. Steel interior springs

Steel springs located throughout the back and seat provide optimum support whilst cradling the body.

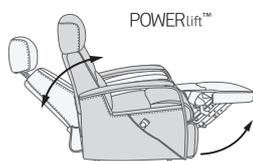

### 6. Solid frame construction

A steel and hardwood frame provides durability and strength.

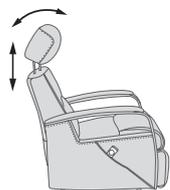

### 7. Remote control system

Allows you to easily operate the lift function, the backrest and footrest, or return to the home position.

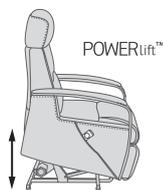

## Lift Relaxer functions

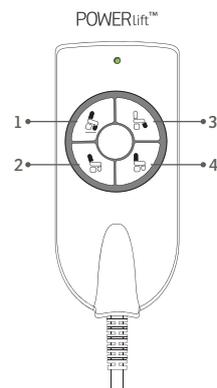

Powered recline

Manual Adjustable / tilt head and neck support

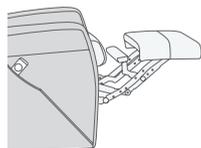

Lift support

### Dual Motor Lift Chair

1. Footrest retracts followed by chair lift activation.
2. Backrest reclines.
3. Footrest extends.
4. Backrest rises returning to upright position.
