Features:

- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- Seats and back spring rails are cut from mixed hardwood, engineered lumber and panel board
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Reversible Cushions are constructed of low melt fiber wrapped over high quality foam
- Upholstered a light gray flat woven polyester fabric that is heavily textured with lighter flax peeking through
- Features stylish rolled arms
- Features exposed feet with faux wood finish
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
