Rubberwood, Cherry Veneer and Engineered Wood

Construction Details: This console table is built with durability and elegance in mind, constructed using quality veneers over engineered wood for the top, apron, and shelf, supported by a solid wood frame. Finished with a scratch- and stain-resistant lacquer, providing long-lasting protection while preserving the natural beauty and variation of the wood. Mortise and tenon joinery adds strength and stability to the design, and the kiln-dried wood resists warping and cracking over time. With a finished back, this table looks polished from any angle, making it versatile for both residential and commercial use. Plastic floor protectors on the legs help prevent scratches, ensuring it's a practical, stylish choice for any space.

Shape is rectangular with 4 legs

Product Dimensions: 17.5"W x 9"D x 31"H, Item Weight: 17 lbs
