

60" RECTANGULAR TRESTLE TABLE PKG, LATTE

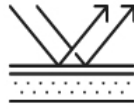

For a more transitionally styled rectangular table, we recommend the Modern Rectangular 60 inch Trestle Table. This Table is ideal for those in between spaces that can accommodate a table that comfortably seats six. Shown here in the Latte finish, this solid wood table is stylistically similar to its 80" sibling except that it does not include a leaf. Some will prefer this because it eliminates the joint in the middle of table where a leaf would be. This solid wood dining table features solid Alder which is an ideal wood for tables and cabinetry. The top also features our KinGuard performance top coat. This protective finish helps to protect the finish from common food spills by allowing added time to get things cleaned up.
