Overall Mattress Height — Approx. 14.75"

## Technology

- Premium ThermoBalance® cover combines cooling yarns with Tencel® for a cool to the touch sleep surface, improved moisture wicking and natural hygiene.
- Individually wrapped coils create a truly responsive support system that contours to each individual while also providing reduced motion transfer.
- A layer of premium foam engineered in the lumbar region to provide added support and comfort.
- Comfort and support foams are crushed to minimize the initial softening and lock in the comfort to feel like new longer.
- Coil systems are encased in foam to provide more sleeping surface and improve the edge support.
- Specifically designed to articulate on adjustable beds to customize your sleep experience.
