Drava Rolling Dining Chair Green

The barrel chair, but make it roll. Drava wraps a continuous curve from arms to back around a squared, padded seat, giving the dining chair cozy support and a modern profile. Textured 100% polyester in green adds subtle dimension and a water-resistant surface, while foam and fiber fill keeps the seat comfortable through long meals. Smooth casters glide where you need them, and included legs switch it to stationary seating. Pull up, roll out—your call.
