

PORT TOWNSEND DINING

COTTAGE

The serenity of the sea and the quaint charm of a cozy cottage come together in Port Townsend. Combining subtle hints of coastal living with simple lines and farmhouse elements, this dining group will bridge the divide and compliment homes from coast to coast. Featuring solid New Zealand pine throughout, the wire brushed multi-step finish on surfaces resembles a naturally occurring windswept patina. Combined with the Gull paint/Seaside Pine finish and vintage inspired nickel brushed hardware, this look is a timeless retreat.
