BROWN JORDAN™

Designer Ann Marie Vering's Oliver Sofa is effortlessly good looking from every angle, a study in balance, counterbalance, and perfect proportions. A low-profile, angular aluminum frame that's fabricated from extruded, custom cast, and solid metal elements cradles the Sofa's gracefully curving woven rope bucket seat, suspending it as if in mid-air. In addition to highlighting Brown Jordan's unrivaled expertise in metal craftsmanship, the design showcases our innovative use of woven rope. This durable, heritage material - a modern updated look to wicker - is handwoven onto the actual frames by skilled artisans in Indonesia. Completing the look, impeccably tailored cushions hug the curves of the rope seat and cosset the body in luxury.

Oliver comprises 10

cushioned pieces that can be floated confidently and effortlessly in any setting.
