

## Walsh Dining

• Walsh Dining Shown with Optional Sideboard

- Self-storing butterfly leaf makes shortening and extending the table a breeze when needed

- With butterfly leaf self-stored, the table shrinks down to a mere 31½" square

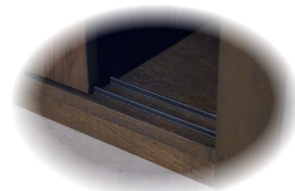

- Two cut-outs underneath the top for easy table opening (T1-WA3247)

- Full corner block & double bolts securely keep each leg sturdy (T1-WA3247)

- Chairs have rails & stiles construction with composition boards for back and cushion supports

- Simply track system allows the doors to open & close easily and ensures years of problem free operation (A1-WA135B)

- table extends from 31½" square to 47¼" rectangle with one self-storing 15¼" butterfly leaf; chairs have PVC cushion and back with composition board support; sideboard with two adjustable shelves, one behind each sliding door; all items available in Walnut or Espresso finish

**WINNERS ONLY INC.**

... because quality furniture is always in style.
