

The Bottom Freezer Refrigerator Handle Kit allows you to create a sleek, modern look for your bottom-mount refrigerator and contains all hardware required for installation. This accessory is designed to be used with several bottom-mount refrigerator models with the NOIR™ black finish, including JBBFR30NMX and JBBFL30NMX; check to see if your model number is compatible. Installing this accessory will require basic hand tools, some disassembly of the appliance and novice repair experience. You must unplug the appliance or shut off the house circuit breaker before installing this accessory.
