

Foster Desk Chair

COLORS: Black

OVERVIEW

The Foster desk chair is the ultimate combination of comfort and style for your recording studio, home office, study nook - or you name it. Its vintage look is achieved with a top grain leather upholstery supported by a plywood frame and detailed with steel hardware. Perfect for getting those creative juices flowing through a tough workday, its ribbed, high-comfort padded seat features armrests and mid-back support. Most likely, the last office chair you will ever have to purchase - its transitional design is suited for any office decor.

- Sleek, modern home office furniture design with high-comfort padding
- Full-swivel, stainless steel frame in brushed brass with an easy-slide wheeled base
- With arm and backrest designed for posture support
- Adjustable height mechanism
- Some assembly required
