Specs

Play:5 Audio

Six Class-D digital amplifiers perfectly tuned to match the six dedicated speaker drivers and the acoustic architecture.

Three tweeters create the crispest and clearest high-frequency response.

Three mid-woofers ensure you'll hear the faithful playback of mid-range vocal frequencies plus deep, rich bass—without distortion, even at high volumes.

Phased speaker array (three drivers on top and three on the bottom) creates a wide stereo soundstage that directs the sound left, right, and center.

Audio line-in. An auto-detecting 3.5 mm connection.

Adjustable bass and treble controls let you customize your sound by individual room or groups of rooms.

Play:5 Physical

Dimensions - H x W x D
8.03 x 14.33 x 6.06 in. (203 x 364 x 154 mm).

Weight
14 lbs. (6.36 kg).

Product finish
White or black matte enclosure with graphite grille.

Touch-interface controls & lights
Capacitive touch controls for volume up/down, previous/next track, and play/pause.
LED indicates Sonos component status and mute status.

Power & Networking

Power supply
Auto-switching 100-240 V, 50-60 Hz AC universal input.

WiFi, not Bluetooth
Connects to your home WiFi network with any 802.11b/g, 2.4 GHz broadcast-capable router for uninterrupted wireless streaming.

Ethernet port
One 10/100 Mbps Ethernet port. Wire directly to your router to operate your Sonos if WiFi is unstable, or use the Ethernet port to provide Internet accessibility to non-wireless devices if you're using Boost setup.

Play:5 Contents

2 each of Sonos Play:5, power cord, Ethernet cable, Sonos QuickStart Guide, and Legal/Warranty information.
