

PRODUCT SPEC SHEET

Cuisinart Grill / CGG-750

Venture Portable Gas Grill, 154 sq in Cooking Space, Incl Chopping Board

Calling all adventure seekers! The Cuisinart Venture portable gas grill is a versatile and compact grilling system that makes the perfect outdoor companion. The stack 'n go design allows the grill to go virtually anywhere - from the beach, to a picnic, or on a boat - delivering the ultimate social grilling experience. Venture is your all-in-one portable gas grill that comes with a comfort grip handle for carrying. The wooden lid doubles as a chopping board. Simply remove the cutting board from the top to prepare your meal or use it for cheese and crackers to enjoy while sipping a glass of wine. The porcelain enameled cast iron grill grate gives off more heat and holds heat longer than steel. The base includes a flip out rack that will hold your propane tank upright and secure. When packing up, you will find clips next to the grill legs that safely store the propane hose. Simple, compact and complete, Cuisinart Venture is the perfect travel accessory for all your adventures.

Cuisinart Grill / CGG-750

Venture Portable Gas Grill, 154 sq in Cooking Space, Incl Chopping Board
