

# Product data sheet

## CONSTRUCTION TYPE

|                               |                   |
|-------------------------------|-------------------|
| Built-in appliance            | •                 |
| Integrated appliance          | •                 |
| Door hinging                  | Right convertible |
| Convertible hinging           | •                 |
| Can be installed side by side | •                 |

## DESIGN

|          |                |
|----------|----------------|
| Lighting | BrilliantLight |
|----------|----------------|

## USER CONVENIENCE

|                                   |       |
|-----------------------------------|-------|
| MaxLoad hinge                     | •     |
| FlexiFrame                        | •     |
| NoteBoard                         | •     |
| Material of wooden racks          | Beech |
| DynaCool                          | •     |
| Push2open                         | •     |
| Number of FlexiFrame wooden racks | 13    |
| SoftClose                         | •     |
| Networking with Miele@home        | •     |

## CONTROLS

|                                      |   |
|--------------------------------------|---|
| Min. temperature setting range in °C | 5 |
|--------------------------------------|---|

|   |              |
|---|--------------|
| <b>Max. temperature setting range in °C</b> | 20           |
| <b>User interface</b>                       | MasterSensor |
| <b>Number of temperature zones</b>          | 3            |
| <b>Number of temperature zones</b>          | 3            |
| <b>Sabbath mode</b>                         | •            |

## SAFETY

|                                   |   |
|-----------------------------------|---|
| <b>Acoustic temperature alarm</b> | • |
| <b>Safety lock</b>                | • |
| <b>Acoustic door alarm</b>        | • |
| <b>Optical door alarm</b>         | • |
| <b>Optical temperature alarm</b>  | • |

## TECHNICAL DATA

|   |                     |
|---|---------------------|
| <b>Number of phases</b>                           | 1                   |
| <b>Niche width in inches (mm), min.</b>           | 24 1/8 (610)        |
| <b>Niche width in inches (mm), max.</b>           | 24 1/8 (610)        |
| <b>Niche height in inches (mm), min.</b>          | 84 1/8 (2134)       |
| <b>Niche height in inches (mm), max.</b>          | 84 1/8 (2134)       |
| <b>Niche depth in mm</b>                          | 24 7/8 (629)        |
| <b>Appliance width in mm</b>                      | 23 3/4 (603)        |
| <b>Appliance height in mm</b>                     | 83 3/4 (2125)       |
| <b>Appliance depth in mm</b>                      | 24 (608)            |
| <b>Weight in lbs (kg)</b>                         | 320 (145.0)         |
| <b>Door hinge technology</b>                      | Fixed door          |
| <b>Max. weight of door, fridge section, in kg</b> | 161 (73)            |
| <b>Wine storage system zone in l</b>              | 13.38 (379) ft³ (l) |

|                                       |                     |
|---------------------------------------|---------------------|
| Total usable capacity in l            | 13.38 (379) ft³ (l) |
| Current consumption in milliamps (mA) | 4000                |
| Voltage in V                          | 110-120             |
| Fuse rating in A                      | 10                  |
| Frequency in Hz                       | 60                  |
| Length of power cable in m            | 11 (3.5)            |

APPLIANCE CATEGORY

|                     |  |
|---------------------|--|
| Wine storage system | <ul style="list-style-type: none"><li></li></ul> |
|---------------------|--|
