Reminisce Collection with its distinctive profiles, round drawer fronts and nostalgic nature evoke a sentimental longing for the "good old days". Recalls warm memories of homecomings to Grandma's house. With the use of Wormy Maple our new "Keepsake Finish" (a distressed, dry, low sheen finish) offers casual, unassuming charm and lets the unique character of each board shine through.

And, like all Urban Collection by Yutzy Woodworking furniture, we offer wood, finish and hardware choices to reflect your personal tastes. How we can customize each piece to meet your specific needs?
