

Cassius Round Outdoor Dining Table Black

COLORS: Black

OVERVIEW

Keen on concrete to bring the outdoors a little closer. A hard material for softer contrast, the Cassius outdoor patio table is the perfect transitional piece for alfresco living. Both durable and eye-catching, this round pedestal table is made from fiber-reinforced concrete that helps to prevent cracking. Here to give your outdoor dining area a sleek, modern look with a hefty pillared base and a thick, matte, circular tabletop. Ideal for any garden or patio setting, this dining table works indoors as well as a stately, contemporary design.

- Concrete & fiber-mix concrete materials make for lighter-weight, durable outdoor pieces. Still, they are unique composites that will vary in color, pattern & texture. No two items made from these materials are alike & product imagery may vary slightly
- Circular table top with pedestal base
- Spacious seating for up to 4
- Suitable for indoor or outdoor use. Store inside or cover while not in use during inclement weather
- Some assembly required
