

# Space 3600 Power Recliner

## Space 3600 Power Recliner

A staple of modern Scandinavian design, our Space range provides the perfect stylish touch to your living area. Sleek, modern lines and plush, padded cushioning covered with a luxurious fitted upholstery are what makes our Space recliners both stylish and comfortable. With Space Power, upgrade your relaxation with a motorized footrest for the smoothest recline.

The Space 3600 Power recliner presents Scandinavian design simplified, allowing comfort and relaxation to take centre stage. Minimal stitching detail in the backrest makes way for subtle curvatures, enhancing the feel of soft, supportive padded cushioning. With angular curved armrests, this recliner achieves a more distinctive arm shape, while providing a comfortable surface on which to rest your arms. With a motorized footrest and backrest, recline in luxury with Space 3600 Power.

## Features

### 1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

### 2. Comfort-Precision Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

### 3. Height-Adjustable Headrest

Enabling the headrest to be adjusted for taller individuals.

### 4. Motorized Integrated Footstool

With Space Power, receive a powered integrated footrest operated at the push of a button, and choose your preferred angle.

### 5. Motorized Back Recline

Ease into a smooth, gentle recline with our motorized backrest operated using a second power button.

### 6. Steel Interior Springs

Located throughout the back and seat provide optimum support whilst cradling the body.

### 7. Solid Frame Construction

A steel and hardwood frame provides durability and strength.

### 8. 360 Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.
