ROCKWOOD CHEST

MONOGRAM WALNUT COLLECTION

ITEM # 315-215

Standing five feet tall and featuring six spacious drawers, the Rockwood Chest features the largest amount of storage space among the Monogram Walnut bedroom pieces. Not only do the large drawers offer smooth-functioning, full-depth storage, they also make an excellent platform to showcase the beauty of solid American Black Walnut. Other features found in the Rockwood Chest may be less obvious but are equally useful. Among those are integrated levelers in the feet, soft-close drawer glides, and removable drawer dividers in the second and third drawers from the top.
