

Alpert Accent Table Light Brown

The Alpert accent table is anything but meek. Exposing the rough texture of its natural marble stone celebrates its raw beauty, this side table's rough edge is set against a simple iron base. Available in two color-ways – sand and grey.

- Solid iron base with a marble tabletop
- The use of natural materials means embracing imperfections (such as unusual marble veining, rock striations, textured grooves, and uneven texture)
- No assembly required
