Jade Mirrored Console Table
48" W x 14" D x 31" H • 19.76 CUFT • 128 lb.

Elevate your interior with this Jade console table. This handsome table features a staggered geometric base that makes it look more like an intricate sculpture than the actual piece of furniture it is. Every surface of the base is mirrored, so it reflects light and adds spacious appeal and dimension to your space. The top is made from thick glass and amply sized to hold collectibles or photos.
