NOTES

Contoured seat with waterfall chaise reduces pressure on your legs and lower back
 Zero Gravity recline technology reduces pressure and gives you a feeling of weightlessness
 Cross-stitching on arms and back has elevated look and enhances durability
 Pad-over arms enhance comfort and provide support
 Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
 Fine tune your comfort with a power control that adjusts the headrest, lumbar support and recline independently
 Power lumbar support takes pressure off the lower back for enhanced comfort
 Home button returns the headrest, lumbar, and footrest to their original positions with one touch
 USB charging port built into power control for convenient charging
 High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
 Available with two color options of premium leather on key seating areas and armrests for a luxurious look and feel
 Leather match offers matching vinyl on sides and back that protects the quality of your furniture for years to come
 Storage console with two beverage holders houses remotes, magazines and more
 The power control allows you to independently adjust the recline, headrest, and lumbar support.
 A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
 A USB port is included on the power control for powering electronics.
 Zero draw technology only uses power when the USB port is in use.
